

NEW NUTS PROTECT LUGS

Stop using NSN 5310-00-241-6664 to order new, self-locking roadwheel nuts for your M2/M3-series Bradley and MLRS carrier.

That NSN brings one of two different style nuts. The first, which has a nylon insert, is OK. The second, however, uses crimped steel threads for locking. The crimped nut chews up the threads on the roadwheel lugs.

To get only the nuts with the nylon insert, use NSN 5310-00-175-2710. Make a note until the parts manuals are updated.
